REMARKS

The Office Action indicated that Claims 103-105 would be allowed if rewritten in independent form. Accordingly, Claim 91 has been amended to include the allowed subject matter of dependent Claim 103 and is believed allowable, along with the dependent Claims 101 and 102.

Claim 106 represents the allowed subject matter of Claim 104 written in independent form and accordingly, it is believed that the dependent Claims 107 and 108 are also allowed.

Finally, independent Claim 109 represents the allowed subject matter of dependent Claim 105 written in independent form, and it is believed that the dependent Claims 110 and 111 are also correspondingly allowed.

Applicant wishes to make of record the phone conference placed by Examiner Do on April 28, 2006. Other than requesting authority to cancel the non-elected claims of record, neither the claims nor the prior art were discussed.

In view of the amendment to the claims, it is believed the case is now in condition for allowance and early notification of the same is requested.
